Dear All,

Prof. Alessandra Viviani would like to inform you about how the work is progressing in **OFF Book (Objective: Foster theatrical performance to combat discrimination in schools & tackle early leaving)**, a transnational project, financed by the Erasmus+ National Agency of Lithuania (the Coordinator being the University of Klaipeda) as a Strategic Partnership - School (Project n. 2017-1-LT01-KA201-035235).

At present the Partnership (Pixel Associazione, IT; Teatro Stabile di Grosseto, IT; Klaipeda Puppet Theatre, LT; Klaipeda Simon Dach School, LT; Colegiul "Octav Bancila", RO; Scoala primara EUROED, RO; Univeristy of Siena, IT and University of Klaipeda) is working on the production of the final version of each national video (Italian, Lithuanian and Romanian) on how to use theatrical labs as a tool to address the challenges of multiculturalism and non discrimination in schools, challenges often leading to poor students' performance.

Also Early School Leaving is often linked to social exclusion that makes classroom dynamics perceived as hostile by disadvantaged students.

The national videos are part of the second step in **OFF Book** work plan, the first one being accomplished with the **Teachers' Guidelines**, available a <https://off-book.pixel-online.org/TG01.php>, in English, Italian, Lithuanian and Romanian (free download).

To be informed on **OFF-Book** activities, please visit regularly the **Project portal** (<https://off-book.pixel-online.org/index.php>) and **Facebook page** (<https://www.facebook.com/OFF-Book-2044670662419368/>) where you can 'like', share, comment our posts and watch the videos.
